

*European **policies and services** for creative minds  
from anywhere in the world*

---

## **EURAXESS – Researchers in Motion**

1. Passionate about research and innovation
2. Why should you get involved and why is EURAXESS useful for you as an employer?
3. Added values of the initiative
4. How can we help you?
5. Whom to contact?

# 1. Political frame

## Europe2020 Strategy:

a smart, sustainable and socially inclusive market economy

One of the **FLAGSHIP** initiative: research and innovation

## THE INNOVATION UNION !

Aims at improving our knowledge base, creativity and skills

Central to this idea is the **European Research Area**

**Inherent:**

**Open recruitment, social security, pension rights, doctoral training  
and global attractiveness of Europe**

## 2. Why should you get involved and why is EURAXESS for you?

Are you looking to recruit a junior or experienced research talent ?

Would you like to explore Research funding opportunities ?

Would you like to know about the scientific visa for researchers ?

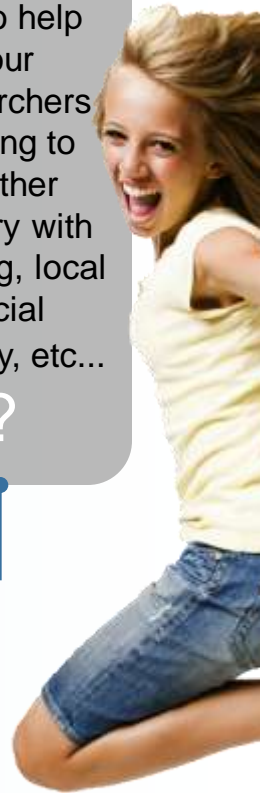

Does your organisation offer career opportunities across Europe ?

Do you know your specific rights and obligations as a research organisation ?

Would you like to help your researchers moving to another country with housing, local social security, etc... ?

If the answer to any of these questions is yes, then EURAXESS is there to help you.

# EURAXESS :

- Provides you with visibility on a pan-European website
- Allows you to post your job vacancies and funding opportunities for Researchers
- Gives you access to a pool of CVs of talented Researchers
- Establishes your rights and obligations
- Offers your Researchers mobility services

### 3. What is EURAXESS?

*EURAXESS* is a unique initiative, launched by the European Commission (European Union) to promote research careers and facilitate the mobility of researchers across Europe.

The initiative was created to stimulate, protect and nurture the European Research and Innovation environment, providing the researcher community with access to improved career and social development.

EURAXESS is a one-stop shop for the development of research careers in Europe with the support of a network of people to assist researchers and research organisations!

# EURAXESS :

- Provides personalised assistance from a network of people dedicated to help you
- Makes your life easier as a research organisation by giving you advice on administrative and legal issues
- Gives you a competitive edge when you are awarded the European Commission logo for 'Human Resources Excellence in Research'
- Connects the European Research community...

... and all **EURAXESS services are independent**  
and completely **FREE!**

EURAXESS develops its activities under the following 4 key initiatives:

Helps you **to advert jobs, funding opportunities, grants, etc.**

Offers you a network of over 500 people in 38 countries to assist you

**Helps you deal** with you researchers' rights

Connects European researchers worldwide

## EURAXESS Jobs

- Our **job opportunities** are becoming more every day and we are developing to become THE reference in research recruitment
- Job and funding **opportunities** cover a vast array of research fields ranging from Neurosciences to Political Sciences
- Via our website you can access the **CVs of potential employees** across Europe and beyond (~ **19,000 active CVs**)
- EURAXESS Jobs is completely **free of charge!**  
**More than 61,000 researcher accounts** have been created so far

#### Naturejobs Career Expo, London 2011

September 22, 2011, The Business Design Centre, London

Now in its fifth year, the Naturejobs Career Expo is the UK's largest career fair and conference for the scientific world.

The Expo promotes the UK and Europe as great places to pursue a career in science, be it in industrial research, research organisations or academia. It presents the best opportunities from the best organisations: public, private, national and international.

Jobseekers can meet with potential employers offering hundreds of genuine vacancies. The conference plenary and workshop sessions will provide a unique opportunity to meet high-profile scientists and gain careers information and advice.

  - Taxation (11)
  - Visa formalities (8)
  - Work permits (10)

**Scientific Visa: fast-track to European research careers for non-European Union third country nationals**

The Scientific Visa package helps researchers to obtain a permission to enter, stay and work in the European Union Member States for the purpose of carrying out scientific research. It is designed to make the process of receiving a residence permit more easy for researchers wishing to carry out research for a short-term (up to 3 months) or long-term (more than 3 months) in the EU. # EURAXESS Rights

## Key document: The European Charter for Researchers and the Code of Conduct for their Recruitment

- Commission Recommendation to Member States, laying out the rights and obligations of researchers, their employers and funders
- Today more than 220 organisations representing some 1 100 institutions from 32 countries in Europe and beyond have endorsed the principles of Charter and Code

# EURAXESS Rights

- The European Union puts a high priority in creating a stimulating and competitive research environment  
The European Union legislation also focuses on good working conditions and adequate career development opportunities
- It promotes fairness in relation to social security, pensions, and other rights for researchers

# EURAXESS Rights

By applying a set of rules:

- Your organisation is recognised and enhanced, gaining competitive advantage and attracting the best researchers.
- You are recognised as a good employer.
- Work-life balance of researchers is respected.
- You are part of a truly pan-European network consisting of research organisations and researchers.
- By applying the principles of the Human Resources Strategy for Researchers you can be awarded the 'Human Resources Excellence in Research' logo!

# EURAXESS Rights

## Human Resources Strategy for Researchers (HRS4R)

- The 'Human Resources Excellence in Research' logo is awarded to institutions that have made **significant progress** in implementing the Charter and Code
- To date, 67 institutions from across Europe have gained this recognition
- Look for this logo and discover advantages !

HR EXCELLENCE IN RESEARCH

## EURAXESS Links

EURAXESS Links is a networking tool for European Researchers working outside Europe. It exists in:

- USA
- Japan
- China
- India
- Singapore

In addition to organising events, [EURAXESS Links](#) provides information about research in Europe, European research policies, opportunities for research funding, for international collaboration and for trans-national mobility.

**Membership is free.**

**Stay in touch with Europeans and Europe also when you are abroad!**

## 3. Added value of the initiative

EURAXESS is innovative because:

- Is a one-stop shop for you with information from across Europe about recruitment, Visa application, work permits, social security and other relevant issues...
- Is completely FREE of charge.
- Is independent, acting with the sole purpose of contributing to the development of Research in Europe.
- It helps you to be part of the Researchers' community.
- It gives you the support of a network of people that offer you personalised assistance across Europe!

- It gives you free access to recruit top Researchers in Europe (and beyond).
- The endorsement of the EURAXESS Charter & Code will give you a competitive edge to attract research talent.
- It offers visibility to your institution on the EURAXESS site for FREE.
- Gives you the possibility to be part of a European Network that cares about the Research and innovation community and looks after its interests.

In 2010 EURAXESS had a total of around 500 000 unique visitors on the website and a total of 5 million page views!!

## 4. How can we help you

EURAXESS - a network of people at your service with representatives located in more than 200 centres across Europe ready to welcome you
